Patio Doors

Ask us about our beautiful Amish handcrafted entry doors and windows.

With over 16 years of experience in the Louisville area, Iron Crafters is a family owned business with the purpose of helping you find the right home improvement products to enhance your home inside and out. In the beginning, our specialty was our 16 gauge security storm doors with their multiple designs, colors and options including doggie doors and screens. As time went on, our customers repeatedly asked us to expand our product offering because they knew they could rely on us for our superior product, installation and service. Today, we are proud to offer only Made in the USA products including Amish hand crafted entry doors and windows as well as custom iron hand rails, gates, window guards, AC unit/generator security enclosures and, of course, steel security storm doors. Not only can we improve the beauty of your home but we can make it more secure and energy efficient as well.

Whether you live in Old Louisville, Floyds Knobs, Crestwood, Shelbyville or somewhere in between, we are happy to visit you for a free consultation and estimate. We pride ourselves on our service and stand behind it - every product we offer comes with a product and installation warranty.

Cordially,

Troy and Kim Finsel

IRON CRAFTERS, LLC ONE YEAR - LIMITED WARRANTY ON STEEL SECURITY STORM DOORS

Iron Crafters LLC warrants your steel security storm door against defects in materials and workmanship for one year from date of installation. Any **part, parts, or complete units** which fail because of such defects within this period, shall at Iron Crafters option, after inspection, be repaired or replaced at **No Charge**. This warranty covers all components of the door **excluding glass**. Glass is not warranted against breakage.

Iron Crafters LLC warrants the installation of your door for one year from the date of installation by an authorized Iron Crafters installer. If upon inspection we find that the door has sagged, we will repair or rehang the door at **No Charge**. This warranty does not apply with respect to damage due to accidents, improper use or negligent operation.

Iron Crafters LLC shall not be liable for consequential damages. No other express warranty is given.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Service from this warranty shall require proof of purchase and is available by contacting Iron Crafters LLC, 5400-D Preston Highway, Louisville, KY 40213, (502) 969-6446.
